City Officials Attend Conference

Wave 27 Sep 1984

HEBER CITY, Sept. 19-22 (LRJ) Local city officials attended the 77th annual conference of Utah League of Cities and Towns this past week. The Utah based organization represents the incorporated municipalities throughout the state. Membership in the league is voluntary and it operates as a non-profit, non-partisan association, controlled and financially sustained by member cities and towns.

Mayor Jan T. Furner is a member of the Board of Directors, and he and Heber City Councilmen, Heber City Clerk-Recorder, Public Works Director, Sexton, and HCL and P administrator were in attendance at the conference that lasted from Wednesday 19 to Saturday 22.

Most meetings and workshops were scheduled at the Salt Palace and banquets were held at the Marriott Hotel. Governor Math-

eson was honored at the President's Banquet. Gubernatorial hopefuls Bangerter and Owens also addressed those in attendance at the Policy Leaders' Breakfast on Thursday morning at 7 a.m. Others specifically invited were municipal attorneys, cemetery superintendents, city managers, municipal clerks and recorders, data processing managers, finance officers, fire chiefs, justices of the peace, court clerks, parks and recreation directors, planning commissioners, public works directors, redevelopment directors, and treasurers.

Programs were designed to help government officials know their responsibilities and opportunities better. Classes started early in the mornings and activities lasted until late at night. Hundreds of elected and appointed civil servants got to know each other better as they considered similar problems.
